

# Winter Hike

January 29<sup>th</sup> 2011  
10am (1hour)

Chain O' Lakes State Park is sponsoring a winter hike on January 29<sup>th</sup>. The hike starts at 10am, leaves from the beach parking lot, and will be led by park naturalist Howard Luehrs. "Hopefully there will be fresh snow and we can observe animal tracks", said Luehrs. Snow or not be sure to dress warm and wear appropriate shoes. "The best way to dress for a hike in cold weather", Luehrs added, "is to wear layers of clothing that can be added to or reduced depending on your body temperature." If anyone has questions about the hike, or how to dress for it, they can contact Luehrs at 260/636-2654 or [chaininterp@dnr.in.gov](mailto:chaininterp@dnr.in.gov).
